Initial _____

PERMIT CLOSINGS:

Client agrees to the hourly fee of \$25.00, with a minimum charge of \$250.00 to research the permit(s) closing requirements reported by city and/or county. This fee will be allocated per permit NOT per file. 'Permit closing' services provided by R.L.S includes: researching, contacting building officials, gathering and submitting plans and/or required documentation, renewing-owner/non-contractor permits and scheduling of inspections. Reliable Lien Search minimum service or hourly fee does NOT include advancement of fees to City or County to renew, reopen or any other 3rd party fees involved or necessary with closing of permit(s).

When applicable, if a general contractor is required by building officials Reliable Lien Search sub-contracts exclusively to THE PERMIT MD, to manage and resolve any and all matters, issues or labor needed in relation to closing subject permit(s).

Initial _____

SURVEY SERVICES:

Average service fee for property survey and elevation certificate is \$325.00 plus any other 3rd party fees involved with expediting your requests. This fee is to be collected prior too or at time service is commenced.
